I wish to thank everyone who has sent me info on my Perisho/Phelps/Duke line of my Father's line. Perisho came from France and spelled different ways Perichaux, Perichot, Perrishaw, Parisher of a few.

I started doing genealogy in 1969 and all my grand parents were gone but had other members of their's could get info from. Otherwise I worked at the court house and library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, IN library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop. This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research. New Data June 2017-GLT

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

You will notice different address's but the one above is correct.

THE SECOND GENERATION

2. ELLENER (2) PERISHO (James-1), b. Perquimans Co., N.C. 18 Sept.1673; d. there after 1722; m. there at MM Jonathan Phelps old plantation 5 June 1689 WILLIAM BOGUE, b. supposedly in South Scotland, d. 20 Dec.1720/1, son of probably William and Jane(or Jean Clark) Bogue.

Children of William and Ellener(Perisho) Bogue:

	i	Hannah, b. 26 Dec.1690/1;dy.
4	ii	William, b. 8 Dec.1696.
	iii	Ellener, b. 26 F b. 1701/2;dy.

James's father died when he was 2 yrs.old. In 1681 a land grant (in trust) was issued to James and his sister, Ellener. This was quite exceptional in early colonial times for a land grant to be left in trust to minors.

In 1690 James selected Stephen Manwarring (spelled Manneringe) as his guardian. It was so ordered that he manage the orphan's plantation until he comes of age or cause it to be managed to the advantage of said orphan and give bond therefor(Colonial Records of N.C.3-433).

Apparently James could not write, for on many of the documents ir says "mark of James Perishaw"(Various court records.March 1698 (CCR 187)).

Perquimans Co. tax lists skip from 1721/22 to 1742. Thus other children born to James and Mary, or any born during this period are not listed.

On the Pasquotank Co. tax lists for 1739,1740 and 1742 we find the name of Joshua Perisho. On the Perquimans Co. tax lists for 1750 and 1755 we find the name of Joshua Perrishaw(Perisho).

Just this one Joshua Perisho name appears so if he was on the tax lists starting in 1739, he must have been born prior to 1720.

James Perisho is listed in the Register of Huguenot Ancestors, 1975. He has been accepted since the 1962 Potential Index of Ancestors was published(N. C.Colonial State Records,vol I Sec. x, xi; vol. II p. 763; vol. VIII pp. 731-2 Albemarle Dist. settled by Huguenots).

Castleton, George, son of Mary and George of New Castle on Line, in England, m. Hannah Perisho (relict of James) by Thomas Gordon 13__ 1679(Berkeley Parish Register). Hannah Perisho (Nee Phelps--most places say 'Hill'), is thought to have m. 3d Ezekiel Maudlin (Hist. of Perquimans Co.,N.C. p. 301).

Hannah Henchman married Henry Phelps in Mass. about 1650 and came to Va; Henry died in Va. There were three children: Jonathan, John and Hannah Jr. who married James (1) Perisho. James Hill/Hall married Hannah (Henchman) Phelps in Va. on Apr. 10, 1662. Suppose because young Hannah was still at home from 1662 until she married about 1672 she took the name of her step-father, James Hill/Hall.

PREFACE

From early records our name as we know it now (Perisho or Parisho) was spelled several different ways. Have indexed each spelling, and as a result the same person may be listed more than once, due to the spelling of the last name.

In several incidents have underscored entries in volume II. They are corrections form volume I.

The name of the first James daughter I have listed throughout as 'Ellener'. Many places one can find this name as 'Elinor' or 'Ellender'.

As to numbering, have gone on from volume I for new names. If information in volume II concerns some one in volume I have used the same paragraph number.

In this volume have attempted to expand and tell more about the different people or places. Have included some pictures.

In the "Addenda" at the end you will find late entries.

Beyond the index is a section called "Unclassfied." I do not know where these Perishos fit in. Though it best to include this information and maybe somebody, someday will come up with the answers.

Any errors or additions please forward to my attention and I will gladly correct copies at hand, and future copies.

THE NAME "PERISHO"

The French spelling of Perisho was mostly likely Perichaux or Perichot.

In the early N.C. records Perisho was spelled Perrishaw.

In Tyrrell Co. N.C. the name Perisho changed to Parisher. This took place in the early 1800's. The spelling was done by sound and whatever the clerk though it might be that was what was put down on papers.

One of the stories handed down about the Perishos was that our early forefathers came from 30 km. south of Paris, France and they had a shop of some kind in a small village.

The name Parisher in Tyrrell County, N.C. has spread out from there to Raleigh, N.C., Houston, Tx. just to mention a few places.

There are quite a few Pariseau's in Quebec Ontario, and New Brunswick, and even here in the United States. (Pronounced Par ee so).

Are these some of our relation?

The following article concerns what happened at Mouleydier, which is in the southwest part of France, a bit inland from Bordeaux. It concerns a family named 'Andre Peyrichou'.

> "This isn't a big miracle I am writing about. It is a rather small, but nice, miracle. Considering that the little French town had been burned to the ground and that its 93 families were starving. Before Mouleydier was burned, you would have found little to distinguish it from a thousand French towns. But Mouleydier had a pin stuck in it. The pin was on a war map in the Operations room at Gen. Eisenhower's headquarters (WW II). Mouleydier was on the fringe of an "alternate descent area' for air-borne troops in the invasion of France. Word was relayed through the Maquis, and the people of Mouleydier eagerly

THE NAME "PERIBO"

Perishos Were Early Quakers

Before going any farther I want to put in a word about the Quaker calendar as the early records in the various monthly meetings so read.

The Quaker calendar until 1752 assumed first month 25th (March 25) to be the first day of the new year. Thus 1st mo. 18, 1737 would be followed ten days later by 1st mo. 28, 1738; 11th mo was Jan; 12th month was Feb; 1st month was March, etc.

Double dates shown in some cases--here is how that came about--the 1751 edict of the British Parliament changed to Gregorian calendar. Now January would be first month instead of March. Many dates now become double dates as 1749/50.

The Quakers never accepted names of months as they were considered of pagan origin. "born ye 17th, 12 mo 1749 would be translated to Feb. 17, 1749(not Dec. 17th) and non-Quaker (translation as Feb. 17, 1750 O.S.(Old Style) or Feb. 17, 1749/50."

For abbreviations see previous page.

In Pasqotank Co.(Pasquotank later Symons Creek Monthly) from American Quaker Genealogy by Hinshaw we have entries from 1755 through 1832. Perishos concerned are in the third and fourth generations.

Notes

HUSBAND - Joshua Perisho *

Rootsweb internet site has many sites of this family, not sure many of them are right.

Birth date all agree 1614 in Bretgne, France.

Different death dates as 22 Apr 1797 (would be 110).

Other death date listed 1678 (would be 64) Not sure either one is right GLT.

1st Md to Elizabeth Griffin born 1618 France and md 1638 in Pasquotank, NC.
Their children was listeed from 1640-45 thru 3 1600's and then goes to 1797-98-1800-1803.

The 2nd marriage that was listed one place unknown, other listed md Miriam Morris 1763 Pasquotank NC. She was born 14 May 1733. Their chilren were listed from 1756 thru 1775. NC.

Not sure where this info came from as doesn't really fit either marriage.

We are pretty sure the first son James Perisho b abt 1640-1750 was their first son and he was born in France but came to NC and was married to Hannah Phelps Hill and had 2 children and he died abt 1678. James and Hannah had 2 children: Ellener 1673-aft 1721 md William Bogue II 1689. Their son James II 1676 d. bef 1731 md Mary Morgan 1696. dates and places and info appear to be right with this marriage as far as it goes. Then there is added info on Hannah b. aabt 1649-1652 Mass and d. aft 1688 Perquimans Co. For sure after another marriage to George Castleton in 1679 and had a daughter.

Ellender Bogue 1673-aft 1671

CHILD 1 - James O.? Perisho I *

Some from Bogue Family Genealogy. Some from Rootsweb site, some from Parisho Family.

Parents were said to be Joshua Perisho b. 1614 France and Elizabeth Griffith b. 1618 Pasquotank Co. NC., however this has not been proven. (Linda Crockett York internet site) No one else has ever listed parents for James that I am aware of.

Book "Perisho/Parisho Family" Vol 1-2 by Bernice Perisho pub 1913 929.2 P4162g V1-2 Ft Wayne, IN Sep 2004. Much same info as other books and info. Listed wife here as Hannah (Phelps) and took the name of stepfather James Hill/Hall so that maybe why the cofusion of names for her.
Copied several pagers from this book. This book also stated James Perisho is listed in the Register of Huguenot Ancestors, 1975. He has been accepted since the 1962 Potential Index of Ancestors was published (NC Colonial State Records, Vol 1 Sec X. Xi, Vol II p763, Vol VIII pp731-2 Albemarle Dist., settled by Huguenots.)

The French spelling of Perisho was most likely Perichaux or Perichot.
In the early NC records Perisho was spelled Perrishaw.
In Tyrrell Co. NC the name Perisho changed to Parisher in the early 1800's.
So you have to look at several spellings of that name to determine if they are your line.
Believe the Perisho's were Quakers also and there have been several mentions of them in the Quaker records of NC.

James maybe have been married abt 1760 and he would have been born about 1740 if 20 when married. Have no dates other then a daughter Ellener Perisho who was born 18 Sep 1763 and son John b. 25 Nov 1676.

James died when son was 2 yrs old and in 1681 a land grant (in trust) was issued to James and his sister, Ellener. This was quite exceptional in early colonial times for a land grant to be left in trust to minors.

Perquimans Co. NC was one will of John Perisho 1755 listed son John and son James, son Joseph and Samuel and dau Elender Perisho and dau Betty Perisho and Mary Perisho and dau Jean Bundy and appoints sons Josiah and John Perisho as sole executors on this 17 day Dec 1755 and witnesses by Thomas Hollowell and Peter P. Listed James wife as Hannah Phelps b. between 1649 & 1652 in Salem, Essex MA. md ca 1670 in Salem, MA. Dau of Henry Nicholas Phelps b. 1626 Eng and Hannah Baskel. Another site listed her parents as Henry b. 1625/30 MA and Hannah Henchman b. c 1630 MA. Hannah Phelps also md 2nd to George Castleton 1679 in Perquimans Co. NC. after death of James. And had dau Hannah Castleton b. 13 Mar 1679/80 Perquimons Co. NC.

This site listed children Eleanor b. 16 Sep 1673 and James b. 25 Nov 1676
All the above starts with an astrick * which list my line.

Other sources have listed his wife as Hannah Hill and also Hannah Phelps. Even one source listed name as Hannah Hill Phelps. If Perisho Family book is correct it stated Hannah Phelps took the name of her step father James Hill so that is probably why the problem with her name.

WIFE - Hannah Phelps-Hill

Bogue Family Genealogy listed name as Hannah Hill

Other Sources have listed Hannah Phelps as well as Hannah Hill. Internet source listed Hannah Phelps b. 1649/1652 Salem, Essex co. MA and d. 1688 Perquimans Co. NC. Md 2nd to George Castleton and had a dau. Had 2 children by first mg to James Perisho. Parents listed as Henry Nicholas Phelps and Hannah Baskel. Other source had listed mother as Hannah Henchman.

Book "Perisho/Parisho Family" by Bernice Perisho has stated that Hannah took the name of her step father James Hill/ Hall so that is why she has been listed as Hannah Phelps and also Hannah Hill it would appear. Even though she was born Hannah Phelps, she may have married as Hannah Hill. This book listed her parents as Henry and Hannah Henchman Phelps.

WIFE - Hannah Phelps-Hill (Continued)

Listed Hannah Phelps Perisho md 2nd Geroge Castleton 13 ___ 1679 Berkeley Parish Register.

Also was stated Hannah Castleton may have md 3rd to Ezekiel Maudlin (Hist. of Perquimans Co. NC pg 301)

Believe her parents were Nicholas and Hannah (Baskel or Henchman?) Phelps. Henry was brother to Nicholas and not sure Hannah md Henry as Henry died at least 10 years after the marriage date of Hannah Phelps to James Hill. Was stated Nicholas and Henry's mother was Eleanor Phelps (md Thomas Trusler? by 1639. Thomas d. 1654 and Eleanor d. 1655 and she had 5 children.
Source I didn't write down had this info. Hannah Baskel came from England shops with Henry and Nicholas Phelps before 1652. This was mother of this Hannah Phelps Hill Perisho Castelton.

CHILD 1 - Ellener Perisho *

Bogue Family Genealogy. Birth, death dates of Eleanor & William, some dates on children.

Internet site by Linda Crockett York has much same info but differ in dates by year or so in some cases.
Names of children much same as other sources but birth dates do differ some. Eleanor's name spelled as such here and other sources and also has been spelled as Ellener. She has death date for her as 1722 Perquimans Co. NC.
Most off was dau Elizabeth, Linda had 1708 where other sources had 1692.

Internet source Linda York, Feb 2004 listed birth, same death?, and info on 5 children. More on children.

Book "Perisho/Parisho Family' by Bernice Perisho pub 1986. Several pages on James.

James's father died when he was 2 yrs old and in 1681 a land grant (in trust) was issued to James and his sister Ellener, which was something that wasn't done back then.

in 1690 James selected Stephen Manwarring (spelled Manneringe) as his guardian. It was also ordered that he manage the orphan's plantation until he comes of age or cause it to be managed to the advantage of said orphan and give bond therefore from (Colonial Records of NC 3-433)
Why would he not select a guardian until 1690 after his father died in 1678, maybe he had to be older to do that.

Listed Human Image Perkins md 2nd Cortez Caldwell in ___ 1875. Bartley Parish Register.

Also was listed Hannah Caldelon may have md 3rd to Ezekiel Neville (Hist. of Pequonnock Co. NC pg 301)

Believe her parents were Nicholas and Hannah (Dexter or Heydenant?) Phelps. Henry was brother to Nicholas and not sure Hannah md more or less, died at least 10 years after the marriage date of Hannah Phelps to James Hill. Was visited Nicholas and Henry's brother was Ebenezer Phelps (md Thomas Thurse?) by 1838. Thomas d. 1854 and Ebenezer d. 1850 and she had 5 children.

Book "Hamilton/Perkins Family" by Bernice Perkins pub 1956. Several pages on James

James's father died when he was 2 yrs old and in 1611 a land grant (in trust) was issued to James and his sister Ebenez, which was exchanging that much? does work then.

In 1650 James resided Ebenezer Hamman md (second husband) as his guardian. It was also ordered that he manage the orphan's (estate with he comes of age or cease it to be managed to the advantage of said orphan and give bond Ebenezer Bogue (Colonial Records of NC 1-427)

Why would he not select a guardian until 1650 after his father died in 1638, maybe he had to be older to do that.

"Died, at his residence in Bartholomew County, Indiana, on the 19th of fifth month, 1829, James Parish, supposed to be from his own recollection (as there is no record of his age to be found,) about one hundred and ten years of age. He lived a single life till about the sixty-third year of his age, then married and lived to see some of his grandchildren arrive to mature age. Although his mental faculties had much failed, he expressed a few days before his death to some friends that called to see him (in substance) that he thought the time of his departure was

near at hand, and he had a hope of admittance into everlasting rest. It is not known that he ever experienced any serious affliction during his long life, and at last weakened away and died without much sickness or pain."

The only thing that could alter the dates would the the date of the will was actually 1788 and not 1768 which would make the ages of children as stated be correct.

DEATH: Roberts will was recorded Bk 1 #1 pg 74 Jones Co. NC. December 1788. His will was written 10 Nov 1768 (1788?).

Also my Will and Desire is that my Daughter, Lydia Draper, and sons, Josiah Bogue, Mark Bogue, and William Bogue, may all have Ten shillings each paid to them out of my estate by my executors.

Wife **Sarah Duke**

Notes

WIFE - Sarah Duke (Continued)

Many interent sites listing Sarah Duke b. ca 1706 d. 1744 and md to William Bogue III. (2009)

Also some sites listed her parents as Thomas Duke b. 1651 (1671) and Margaret Thacker b. 1656 md 1670
Others list Thomas Duke b. 1671 md to Margaret ?. Which makes dates little closer. with children Thomas III, John, Margaret and Sarah md Wm Bogue.

Appears may have been Thomas Duke md Margaret ? and then another Thomas Duke who md Margaret Thacker.

Some sites have listed Sarah b. 1706 who md Wm Bogue and Margaret Duke who was b. 1674 md Moses Hall ca 1685. So that Margaret couldn't have been the dau of Thomas and Margaret Thacker if that Thomas wasn't born till 1671. Margaret's parents listed as Thomas Duke Jr b. 1637 and Margaret Thacker b. 1646. This Thomas b. 1637 was said to be son of Thomas Duke Sr (immigrant) b. ca 1616-1620 and md Mary Barham. This family had Thomas Duke b. 1671, Margaret who md Moses Hall and Mary Duke (so no Sarah Duke listed as child here) Again not to say she wasn't. But with Margaret b. 1674 and Sarah b. 1706, is quite a difference from children and had been said they were sisters.

Also appears the Thomas b. 1637 wouldn't be having children as late as 1706 either.

So maybe there is a mixup and Thomas and Margaret Thacker had a son Thomas who also md a Margaret and they were ones that had Sarah b. 1706. Certainly would make more sense.

William and Sarah had a daugher Margaret and one Sarah, can't find a son named Thomas however.
Found one site that listed different children then the Bogue book did but marriages some the same.
William b. 1728 md Elizabeth Kenyon
Josiah b. 1730 md Ann Ward
Christian b 1732 md James Small
Margaret 1732 md Robert Kenyon (Roger?)
Job 1733 md Leah ?
Sarah 1737 md Josiah Bundy
Duke 1742 md Sarah Robinson.

Some the same, couple different. Probably need more research on these children.

Notes:

WIFE - Sarah Duke ((continued)

Many interest sites listing Sarah Duke b. ca 1705 d. 1744 and md to William Rogue III. (2009)

Also some site listed her parents as Thomas Duke b. 1651 (1671) and Margaret Thacker b. 1650 md 1670
Others list Thomas Duke b. 1671 md to Margaret ?. Which makes dates quite close, with children Thomas III, John, Margaret, and Sarah md Wm Rogue.

Appears may have been Thomas Duke md Margaret ? and then another Thomas Duke who md Margaret Thacker.

Some sites have listed Sarah b. 1705 who md Wm Rogue, and Margaret Duke who was b. 1674 md Moses Hall ca 1695. So that Margaret couldn't have been the dau of Thomas and Margaret Thacker if that Thomas wasn't born till 1671. Margaret's parents listed as Thomas Duke Jr. b. 1637 and Margaret Thacker b. 1646. This Thomas b. 1637 was said to be son of Thomas Duke Sr (Immigrant) b. ca 1616-1620 and md Mary Basham. This family had Thomas Duke b. 1671, Margaret who md Moses Hall and Mary Duke (so no Sarah Duke listed as child here). Again not to say the wasn't. But was Margaret b. 1674 and Sarah b. 1705, is quite a difference from children and had been said they were sister.

Also agrees the Thomas b. 1637 wouldn't be having children as late as 1705 either.

So maybe there is a missing and Thomas and Margaret Thacker had a son Thomas who also md a Margaret and they were close first had Sarah b. 1705. Certainly would make more sense.

William and Sarah had a daughter Margaret and one Sarah, can't find a son named Thomas however.
Found one site that listed different children than the Rogue book did but messages some the same

Family Group Record

Husband **Thomas Duke Jr.**

Wife **Margaret Thacker**

Notes

HUSBAND - Thomas Duke Jr.

Sources conflict with birth of this Thomas Duke Jr, 1646 birth date and death date 1707. Was stated in Quaker records Margret Duke, dau of Thomas Sr. sent a letter to have the marriage of his dau, Margret to Moses Hall dated 1707/08,11,7
Also dated 1727/28m, 12,15 William Bogue ofNC in a publick place near John Murdaugh's, Nansemond Co. married Sarah Duke, dau of Thomas, Dec'd, Nansemond Co.
Sarah and Margaret said to be sisters.

Have nothing positive on Thomas Duke at this time.
It appears Thomas Sr was son of Richard and Margaret Bassett and he md 2nd Mary Barham and had 4 sons, one being Thomas Jr who md Margaret Thacker and had the 2 daughters Sarah and Margaret.

This Thomas may have had children Thomas Jr and John and maybe Francis was a son or grandson.

From the book "The Duke Family" by Evelyn Duke Brandenberger on pg 106 does have the mention of one Thomas being the 3rd(2nd) in line is noted that two of his daughters were in the Quaker records. and on the 7th day of 11th month of 1707 he gives concent to dau Margaret to be md to Moses Hall and on the 15th day of 12th month of 1727/28 William Bogue was married to Sarah Duke, dau of Thomas Duke, dec'd of Nansemond Co. at the Lower VA meetings.

The first Thomas Duke of Nansemond Co. VA was in reality Thomas Duke, Junr, the second of that name in VA as his father Thomas Duke came to VA in 1637/38 at about the same time as the Reverend Thomas Hampton. Both were later in James City Co where in 1651 they were joint land patentees.

19 May 1637 to Thomas Hampton, Clerk (Minister), 700 acres of land in Upper Norfolk (Nansemond) County on the Nansemond River near powell's Creek. On same day he received 2nd patent to 300 acres. VA Land Pat. Bk 1 p422.

1 Aug 1638 to Thomas Dew (Duke) 150 acres in Upper Norfolk (Nansemond) County on the Nansemond River next Thomas Powell. VA Land Pat Bk 1 p587.

The name of Duke was spelled several different ways in early records.

5 Aug 1638 Thomas Dew (Duke) was granted 400 acres of land on the Nansemond River in the County of Upper Norfolk (Nansemond) one mile from Thomas Powell, 200 acres by assignment from Thomas Powell and 200 acres due him for importing four persons to the colony VA land Pat. Bk 1 p587.

He received another land patent on 7 Nov 1640 for 250 acres upon the Miles end of a Platt of Thomas Dewes, an assignment from John Wright. VA Land Pat. Bk 1 p692.

4th line was daughter Sarah Duke b. 1706 d. 1744 md Willilam Bogue 1727 (father deceased)
(This would be my line, end of Duke and beginning of Bogue.)

If Sarah Duke Bogue had a sister Margaret it would'nt be the Margaret that md Moses Hall as her father Thomas said his sister was that Margaret.

From the book "The Duke Family" by Evelyn Duke Brandenberger on pg 106 does have the mention of one Thomas being the 3rd in line is noted that two of his daughters were in the Quaker records. and on the 7th day of 11th month of 1707 he gives concent to dau Margaret to be md to Moses Hall and on the 15th day of 12th month of 1727/28 William Bogue was married to Sarah Duke, dau of Thomas Duke, dec'd of Nansemond Co. at the Lower VA meetings.

Also Thomas Dew was granted another 200 acres in Upper Norfolk (Nansemond) Co in Oct 1638 located on the Nansemond River in the Old Indian Towne and running southeast into the woods, a small island being opposite against the land, due for importing six persons into the colony VA land Pat Bk 1 p632.

On 18 Jan 1643 the patent to the above property was renewed and 450 acres added to it "750 acres on southern branch of the Nansemond River beginning south of Carney Creek VA land Pat Bk 1 p942.

Prior to this time Thomas Hampton had left this part of VA to take over a ministry in James City County. Thereafter, either the elder Thomas Hampton or his son, was a joint patentee with Thomas Duke in James City Co. VA in 1651. By 1670 Thomas Duke was "long since dead".

Under date of 10 Oct 1670 a land patent was issued to Thomas Dewes (Duke) for the same 750 acres described in the 1643 patent above. By then Thomas Duke, Junr. was living in Nansemond County where he had taken over his fathers land in that county. The following record proves a younger Thomas Duke was living in Nansemond county in 1670.

22 Oct 1667 Thomas Duke Junr, in the Parish of Chucktuck, Nansemond County gave Power of Attorney to William Epam "to recieve unto his custody a parcel of cattle belonging to my wife Margaret, which are now in the custody and keeping of Sylvester Thacker in Rappahannoch". Signed by Thomas Duke, Junr and witnessed by Rich Minshew and John Bradley from Old Rappahannock Co. VA Deeds Bk 3 p345.

Mary, wife of the elder Thomas Duke and her other sons John and Henry Duke were living in James City County close to the dividing line of New Kent Co.
Thomas and wife Margaret must have been Junr then they had Margaret and Sarah,

CHILD 5 - Mary "Margaret: Duke

If this Margaret was dau of Thomas Jr b 1671 she may have been about 40 when md in 1707. No mg date for Thomas Jr but if born 1671 wasn't much before 1691 that he md. at age 20. Margaret was dau of Thomas Sr. md 1707. According to Moses Hall's will they had 5 children (but don't think she was having children at age 40 so may have been a 2nd wife??? (unless don't have right father for her).

Believe this to be dau of this Thomas according to Quaker records. On the 7th day of the 11th month of 1707 is entered: "I have given consent to Moses Hall concerning marriage with my daughter Margaret Duke" Signed Thomas Duke Junr.

Her husband Moses Hall died in Northampton Co. NC in 1761/62. Hi will written the 29th Oct 1761, mentioned his wife (unnamed) and following sons and daughters: Moses, Isaac, Joseph, Anne, and Sarah. He appointed John Duke and Robert Pulli executors. Proved at the Feb court 1762. Northhampton co. NC will 43 p65.

4th line was daughter Sarah Duke b. 1706 d. 1744 md Willilam Bogue 1727 (father deceased)
(This would be my line, end of Duke and beginning of Bogue.)

If Sarah Duke Bogue had a sister Margaret it would'nt be the Margaret that md Moses Hall as her father Thomas said his sister was that Margaret.

From the book "The Duke Family" by Evelyn Duke Brandenberger on pg 106 does have the mention of one Thomas being the 3rd in line is noted that two of his daughters were in the Quaker records. and on the 7th day of 11th month of 1707 he gives concent to dau Margaret to be md to Moses Hall and on the 15th day of 12th month of 1727/28 William Bogue was married to Sarah Duke, dau of Thomas Duke, dec'd of Nansemond Co. at the Lower VA meetings.

The first Thomas Duke of Nansemond Co. VA was in reality Thomas Duke, Junr, the second of that name in VA as his father Thomas Duke came to VA in 1637/38 at about the same time as the Reverend Thomas Hampton. Both were later in James City Co where in 1651 they were joint land patentees.

19 May 1637 to Thomas Hampton, Clerk (Minister), 700 acres of land in Upper Norfolk (Nansemond) County on the Nansemond River near powell's Creek. On same day he received 2nd patent to 300 acres. VA Land Pat. Bk 1 p422.

The name of Duke was spelled several different ways in early records.

5 Aug 1638 Thomas Dew (Duke) was granted 400 acres of land on the Nansemond River in the County of Upper Norfolk (Nansemond) one mile from Thomas Powell, 200 acres by assignment from Thomas Powell and 200 acres due him for importing four persons to the colony VA land Pat. Bk 1 p587.

He received another land patent on 7 Nov 1640 for 250 acres upon the Miles end of a Platt of Thomas Dewes, an assignment from John Wright. VA Land Pat. Bk 1 p692.

An article taken from "The Friend" pg 328 and was in the notes of Dorothy Parisho in her research on the Parisho family. "Died, at his residence in Bartholomew county, Indiana, on the 10th of fifth month, in 1839. James Perisho suppose to be from his own recollection (as there is no record of his age to be found) about one hundred and ten years of age. He lived a simple life till about the sixty-third year of his age then lived to see some of his grandchildren arrive to mature age. He was born in North Carolina, emigrated from there to Virginia, where he married and thence to Ohio amd about the year of 1817 moved and settled in the state of Indiana. He had a birthright in the society of Friends, and for any thing that is known to the contrary, lived a consistent member thereof. Although his mental faculities had much failed he expressed a few days before his death to some friends that called to see him (in substance) that he thought the time of his departure was near at hand and he had a hope of admittance into everlasting rest. HUSBAND - Moses BUNDY-4710

One internet source listed his father as Jeremiah Bundy b. 21 Jul 1703 NC.

Wife was listed as Jean Bundy in her fathers will of 1755/59 Perquimans Co. NC.

Sources have listed his wife as Jean, dau of James and Sarah and others listed she was dau of John & Jean?

Located Will and it was abstracted in the book "Abstracts of Wayne Co. Wills, Wayne Co. NC 1780-1868" Vol 1 by Charlotte Carrere & Jeanne LeFrancois pub 1986. This book also had a map of the county of Wayne, NC., no date on it though. Pg13 975.601 W36CA V1 Ft Wayne (Sep 2004)
Moses Bundy, 11 Feb 1782 - 1782
Wife listed Jane.
sons: Abraham, William, Mark, Gidion and Josiah
Daughters: Lydia, Miriam, Hannah and Mary.
Executors wife and son William and Joseph Dees
Witnesses: James Perrishon, Mark Bogue and Aaron Cornwell.

Another source book "My Grandparents, 114 Surnames to History" by susanne Parisho Rieger, 4013 Clinton Ave, Des Moines, IA 50310, pub Apr 1984, located at the Des Moines Gen Soc Libr, Jul 18 1999 when was located at 6000 Douglas Ave. (now 2004 has moved to close to the capital).

WIFE - Jean -Jane PERISHO-4682

She was listed in fathers will 1755-1759 as dau Jean Bundy to receive one small dish and also rest of personal estate divided among 4 siblings.

Some sources she may have married Moses Bundy. Other sources have listed the Jean that md Moses Bundy was dau of James and Sarah so have to check out which one is the right child. The will of John had a Jean Bundy listed but haven't located on for James to date to know if he did? More internet sites had her listed as dau of James and Sarah however. Will list them here for now.

One marriage date is 6 Feb 1754 and another 1 May 1754 again which is right.
Marriage from CD 103 listed mg date as 1753 Pasquotank Co. NC. Jane to Moses Bundy

Moses and Jean have had 9 children listed: Abraham 1st child born 14 Dec 1754 and William 2nd 25 Apr 1756 then there was Mark, Gideon, Josiah, Lydia, Miriam, Hannah and Mary.

Info from book "My Grandparents, 114 Surnames to History" by Susanne Parisho Rieger, 4013 Clinton Ave, Des Moines, IA 50310, pub Apr 1984, located at the Des Moines Gen Soc libr 18 Jul 1999.
Believe this source listed her as dau of James and Sarah?

Book "Perisho/Parisho Family" by Bernice Perisho pg 6 has listed this Jean (Jane) md to Moses Bundy

CHILD 1 - Abraham BUNDY-4777

Several internet sources located. Much same info but some differed a little.

Birth dates 14 Dec 1759 and 12 Apr 1759

Marriage dates 5 Mar 1779 and 17 Feb 1779

HUSBAND - James PERISHO-4677

James was said to have md Ruth Jessop 23 Feb 1797 and said had children and grandchildren.
Was he married before?

CD 103 said md Surry Co. NC 23 Feb 1797 and another said Grayson Co. VA.

James was said to have died in Bartholomew co. In 10 May 1839

An article taken from "The Friend" pg 328 and was in the notes of Dorothy Parisho in her research on the Parisho family. "Died, at his residence in Bartholomew county, Indiana, on the 10th of fifth month, in 1839. James Perisho suppose to be from his own recollection (as there is no record of his age to be found) about one hundred and ten years of age. He lived a simple life till about the sixty-third year of his age then lived to see some of his grandchildren arrive to mature age. He was born in North Carolina, emigrated from there to Virginia, where he married and thence to Ohio amd about the year of 1817 moved and settled in the state of Indiana. He had a birthright in the society of Friends, and for any thing that is known to the contrary, lived a consistent member thereof. Although his mental faculities had much failed he expressed a few days before his death to some friends that called to see him (in substance) that he thought the time of his departure was near at hand and he had a hope of admittance into everlasting rest. It is not known that he ever experienced any serious affliction during his long life and at last weakened away and died without much sickness of pain."

Also from the book "My Grandparents, 114 Surnames to History" by susanne Rieger was stated he was born 1729, md in Grayson Co. VA to Ruth Jessop and died in 1839 in Bartholomew Co. IN.

HUSBAND - male Baskel

Info from WikiTree listed Henry Phelps and Eleanor both born and died at the same time.

CHILD 1 - Hannah Baskel

*This Hannah Phelps may have married Nicholas and Henry but believe she only married Nicholas then after he died she married James Hill. Which is where the daughter Hannah Phelps Hill came to marry James Perisho abt 1672 and after his death she md George Castleton and had 1 child then she may have md Edmund Mauldin?
Believe her mother was Hannah Baskel b. 1625 and d aft 1696 NC Married Henry Nicholas Phelps b 1620 Eng then she md James Hill. Don't believe Hannah was born 1665 but closer to 1625?

SINCE THERE WERE TWO HANNAH PHLEPS YOU HAVE TO BE AWARE OF THEIR AGES. WHICH ARE MOTHER AND DAUGHTER.

Believe Hannah Baskel b 1625 and married Henry (Nicholas) Phelps, son of Henry Phelps b 1595 md to Eleanor Mealton? Sharp? and she md 2nd to Thomas Trusler.
Son Jonathan Phelps married and had 5 children and he died in NC. Nothing else about him. todate
----------GLT

Just came across some info on the internet on the family of Hannah and was written by Gwen Boyer Bjorkman who won the Family-History Writing contest in 1987 at NGS. Seems she has done a lot of research and has come up the the fact that Hannah's last name was Baskel and she married 3 times if not 4.

Also internet info from Holly Klass who had much same info on Nicholas Phelps and Hannah Baskel and 2 children. Although this sight listed Nicholas parents as Henry Phelps b. 1595 London and Elinor Mealton 1578-1637 in England. The other site did list Nicholas mother as Eleanor Phelps who md 2nd Thomas Trausler in MA and she died in 1655 in Perquiamans Co. NC and left land to her two sons Henry and Nicholas. This site also said Nicholas and Hannah were divorced but it appears from the other source Nicholas died and Hannah md his brother Henry as his 2nd wife.

MARRIAGE1: Nicholas Phelps prob. in Salem, MA?
MARRIAGE2: Henry Phelps after 1657 in Salem MA?
MARRIAGE3: James Hill in Perquimans Co. NC abt Nov 1676.
She said she may have md 4th to Joseph Smith? in 1695/6 in Perquimans Co. NC.

She had 2 children by 1st marriage: Jonathan Phelps and Hannah Phelps and Hannah Phelps was the one that md James Perisho in Perquimans Co. NC.

This is much different info then has been found before so which is correct but I believe Gwen has most of the info correct. She has many court records and Quaker records to back up her statements. Difference of death date one source said 1687 but md maybe twice after that.

*Hannah Phelps came by ship from England with passengers Nicholas Phelps and his brother Henry Phelps. Not sure if their mother Eleanor Phelps came with them at that time or later but she was in Salam with them and later went to Perquimans Co. with them. Believe Hannah married after landing in MA to Nicholas Phelps then after his death she md James Hill. He died before her as well as her 2 children died and she then had grandchildren to care for. She was still living in 1695 and Gwen thought she may have md a 4th time to Joseph Smith in Perquimans Co. NC but not sure of that.

So we have no death date for Hannah but do have several court records thruout her life and as late as 1695 when she went to court for her grandson James Perisho Jr.

Seems we only know of 2 children of her dau Hannah Perisho and Hannah md 2nd to George Castleton and had a dau Hannah.

Hannahs son Jonathan married and had at least 5 children

It is now believed Nicholas was brother to Henry Phelps and their mothers name was Eleanor and she md 2nd to Thomas Trusler and left land to both Henry & Nicholas in 1655 when she died in Perquimans Co. NC. The father could have been Henry.

Nicholas married Hannah Bassett and after his death abt 1657 (died before 1644) she married his brother Henry Phelps. She had 2 children by Nicholas and none by Henry.

Also internet info from Holly Klass who had much same info on Nicholas Phelps and Hannah Baskel and 2 children. Although this sight listed Nicholas parents as Henry Phelps b. 1595 London and Elinor Mealton 1578-1637 in England. The other site did list Nicholas mother as Eleanor Phelps who md 2nd Thomas Trausler in MA and she died in 1655 in Perquiamans Co. NC and left land to her two sons Henry and Nicholas. This site also said Nicholas and Hannah were divorced but it appears from the other source Nicholas died and Hannah md his brother Henry as his 2nd wife.

MARRIAGE1: Nicholas Phelps prob. in Salem, MA?
MARRIAGE2: Henry Phelps after 1657 in Salem MA?
MARRIAGE3: James Hill in Perquimans Co. NC abt Nov 1676.
She said she may have md 4th to Joseph Smith? in 1695/6 in Perquimans Co. NC.

She had 2 children by 1st marriage: Jonathan Phelps and Hannah Phelps and Hannah Phelps was the one that md James Perisho in Perquimans Co. NC.

This is much different info then has been found before so which is correct but I believe Gwen has most of the info correct. She has many court records and Quaker records to back up her statements. Difference of death date one source said 1687 but md maybe twice after that.

*Hannah Phelps came by ship from England with passengers Nicholas Phelps and his brother Henry Phelps. Not sure if their mother Eleanor Phelps came with them at that time or later but she was in Salam with them and later went to Perquimans Co. with them. Believe Hannah married after landing in MA to Nicholas Phelps then after his death she md James Hill. He died before her as well as her 2 children died and she then had grandchildren to care for. She was still living in 1695 and Gwen thought she may have md a 4th time to Joseph Smith in Perquimans Co. NC but not sure of that.

It is now believed Nicholas was brother to Henry Phelps and their mothers name was Eleanor and she md 2nd to Thomas Thorpe and had issue to both Henry & Nicholas in 1585 when she died in Perquimans Co. NC. The latter could have been Henry.

Nicholas married Hannah Bassett and after his death abt 1657 (died before 16-Nov) she married his brother Henry Phelps. She had 2 children by Nicholas and none by Henry.

This site also said Nicholas and Hannah were divorced but it appears from the other source Nicholas died and Hannah md his brother Henry as his 2nd wife.

MARRIAGE1: Nicholas Phelps prob. in Salem, MA?
MARRIAGE2: Henry Phelps after 1657 in Salem MA?
MARRIAGE3: James Hill in Perquimans Co. NC abt Nov 1676.
She said she may have md 4th to Joseph Smith? in 1695/6 in Perquimans Co. NC.

She had 2 children by 1st marriage: Jonathan Phelps and Hannah Phelps and Hannah Phelps was the one that md James Perisho in Perquimans Co. NC.

This is much different info then has been found before so which is correct but I believe Gwen has most of the info correct. She has many court records and Quaker records to back up her statements. Difference of death date one source said 1687 but md maybe twice after that.

*Hannah Phelps came by ship from England with passengers Nicholas Phelps and his brother Henry Phelps. Not sure if their mother Eleanor Phelps came with them at that time or later but she was in Salam with them and later went to Perquimans Co. with them. Believe Hannah married after landing in MA to Nicholas Phelps then after his death she md James Hill. He died before her as well as her 2 children died and she then had grandchildren to care for. She was still living in 1695 and Gwen thought she may have md a 4th time to Joseph Smith in Perquimans Co. NC but not sure of that.

So we have no death date for Hannah but do have several court records thruout her life and as late as 1695 when she went to court for her grandson James Perisho Jr.

Seems we only know of 2 children of her dau Hannah Perisho and Hannah md 2nd to George Castleton and had a dau Hannah.

Hannahs son Jonathan married and had at least 5 children

WIFE - Hannah Phelps

*This Hannah Phelps may have married Nicholas and Henry but believe she only married Nicholas then after he died she married James Hill. Which is where the daughter Hannah Phelps Hill came to marry James Perisho abt 1672 and after his death she md George Castleton and had 1 child then she may have md Edmund Mauldin?
Believe her mother was Hannah Baskel b. 1625 and d aft 1696 NC Married Henry Nicholas Phelps b 1620 Eng then she md James Hill. Don't believe Hannah was born 1665 but closer to 1625?

SINCE THERE WERE TWO HANNAH PHLEPS YOU HAVE TO BE AWARE OF THEIR AGES. WHICH ARE MOTHER AND DAUGHTER.

Believe Hannah Baskel b 1625 and married Henry (Nicholas) Phelps, son of Henry Phelps b 1595 md to Eleanor Mealton? Sharp? and she md 2nd to Thomas Trusler.
Son Jonathan Phelps married and had 5 children and he died in NC. Nothing else about him. todate

Just came across some info on the internet on the family of Hannah and was written by Gwen Boyer Bjorkman who won the Family-History Writing contest in 1987 at NGS. Seems she has done a lot of research and has come up the the fact that Hannah's last name was Baskel and she married 3 times if not 4.

Also internet info from Holly Klass who had much same info on Nicholas Phelps and Hannah Baskel and 2 children. Although this sight listed Nicholas parents as Henry Phelps b. 1595 London and Elinor Mealton 1578-1637 in England. The other site did list Nicholas mother as Eleanor Phelps who md 2nd Thomas Trausler in MA and she died in 1655 in Perquiamans Co. NC and left land to her two sons Henry and Nicholas. This site also said Nicholas and Hannah were divorced but it appears from the other source Nicholas died and Hannah md his brother Henry as his 2nd wife.
